PRESENTS

पारूषिण

DEPARTMENT OF BCA

TECH FOR FUTURE

A NATIONAL LEVEL IT FEST

3RD & 4TH MARCH 2020

VENUE : JAIN COLLEGE OF BBA, BCA & COMMERCE

About Jain College.

JGI Headquartered at Bengaluru, The JGI represents a cluster of 90 vibrant educational establishments. In 24 years, the Group has grown to serve over 35000 students and 3200 staff members engaged at the p-I2 [Pre-school to grade I2], undergraduate and post graduate levels across 53 campuses and centres of excellence. The JGI revolution of learning has been distinct from the stereotyped versions of education people are used to. Through innovations, we have been employing entrepreneurship in the dispersion of education, a concept JGI has termed 'Entrepreneurship'. This is evident from its pioneering institutions emerging with ever increasing constancy and quality.

About BCA

BCA at Jain College.

A right direction in education leads to a rewarding career and a fruitful life. As you stand at the threshold of making the most important decision towards your collegiate education. We present to you Jain College, Belagavi, Department of BCA where you will spend some of the most valuable years of your life. The college is well-known for its unique blend of innovation with culture, curriculum enriched with value added programmes and academic vigour accompanied with extracurricular simulation.

At Jain College of BCA we believe in nurturing young minds into self-reliant individuals, prepared to face and resolve the trials of life. The BCA Programme is designed for students aspiring to excel in the field of computers. If you are inclined towards computer related subjects or studies or even if you are not really interested in computers but do have a quick thinking mind that can analyse the situation at hand and apply concepts towards solving it, then this is the programme for you. The programme encompasses curriculum dealing with the latest tools and techniques, with an optimal blend of theory and practice.

From The Chairman's Desk

Dr. Chenraj Roychand

Choosing the college that is right for you is the first step towards the career of your choice. It is an important decision and we are delighted that you are considering Jain College Belagavi as the place where you will spend some of the most important years of your life. Jain College has a single idea at the core of its identity, an idea that Energizes and motivates all who are associated with it; an idea that goes right back to east years and that continues to be vital in the 21st century. It is the idea that education, co circular activities and work are all inter related. This reputation, together with our excellent link with industry, ensures our graduates are highly sought after. You will not only value the academic quality of our programs and our excellent facilities, but also the friendly atmosphere and relaxed Environment in which you will study.

From The Principal's Desk

Prof. Sunil Desai

Intellectual who has realized that hard work is the only key to success. I possess an attitude to adapt to varying circumstances and play a motivating role in a team. I believe there is no better school than the school of experiences. An optimist by nature I believe in truth, sincerity and being distinguished by all creating intellectual capital for the country

Codifica

Programs must be written for people to read and not only
for machines to execute.
